Conditions Apply: Fares are cruise-only, per person in AUD, based on twin share, including all applicable discounts, taxes, and fees, which are subject to change. The advertised fare applies to category V1 Veranda Suite, with upgrade surcharges. Rates are accurate as of 16 October 2024 but may change. The offer may be withdrawn or revert to higher fares without notice. Valid for new bookings only and cannot be combined with other promotions. Single supplements are 200%, and all offers are subject to availability. Airfare Deals are valid with the cruise booking for twin share or single occupancy (200% supplement). Surcharges apply for triple occupancy (ask for a custom quote). Not valid for quad share. Flights are with premium airlines and may not be direct; surcharges may apply from certain capital cities, based on round-trip fares for set dates. Capacity is limited and may sell out without notice. Airfare deals don't apply to cruise fares lower than those advertised, with additional surcharges for departure cities, route deviations, upgrades, and specific travel dates. Hotels listed may be substituted with similar accommodations and based on standard room. Non-refundable payment is due at booking, and any reduction in the invoice value forfeits the airfare deal. Please refer to [TravelManagers' terms and conditions](#) and [Seabourn cruise contract](#) for more details. Additional terms and conditions apply—please consult your travel agent for further information
